1844

Purpose: *To show that the judgement is the culmination of the cross and that the final phase of Christs ministry in the heavenly sanctuary began in 1844.*

Centred on: *The climax of the Gospel.*

Part one:

From a Biblical perspective, it must be noted that "the Judgement" was future to the New Testament writers.

Acts 17: 31… He *will* Judge.

Acts 24: 25… The judgement *to come*.

Romans 2: 16… God *will judge*.

Romans 14: 10-12… We *shall* all stand before the judgement seat of Christ, every knee *shall* bow and every tongue *shall* confess to God.

Now let's go back to the Old Testament in order to gain insight in the principles of the judgement message

Exodus 25: 9; 40… Here we find an emphasis on the word "pattern." Now if this was a copy/pattern, then where was the original?

Hebrews 8: 1-6… Here we are told that the pattern was simply made after the original in heaven. Not only is there a Heavenly sanctuary, but there is also a Heavenly High Priest (Jesus). With prior studies, we are able to see that a lot of the imagery that was seen in the earthly sanctuary was a mirror/pattern/copy or shadow of the original that was in the heavenly sanctuary. We allow the Bible to be its own interpreter.

Hebrews 9: 11; 23-24… The prophets are saying, God wanted us to have an earthy sanctuary so that he could give us a sneak peek preview of what was happening in heaven. We were able to see that by looking at the shadows down here in earth. (Heb 9:11- see Col 2:13-17)

To simplify the understanding of the sanctuary process, we will break it down to two components. The ministration of the sanctuary consisted of two divisions, a daily and a yearly service. The daily service was performed at the altar of burnt offering in the court of the tabernacle and in the Holy Place; while the yearly service was performed in the Most Holy Place. **The most significant ritual that took place in the earthly sanctuary was the day of atonement.**

- The daily service----Holy Place
- The yearly service----Most Holy Place.

Remember, the purpose of the daily service was to transfer the sin ***into*** the sanctuary. So what about the yearly service?

Leviticus 16: 2…God gave instruction that Aaron must not come at *"just any time into the Most Holy Place."* We know this was the Most Holy Place due to the mentioning of "*inside the veil, before the mercy seat."*

Leviticus 16: 34…Once a year he was to minister in the Most Holy Place.

Leviticus 16: 7-10…Firstly two goats are required. The first goat is killed and then the usual ceremony is carried out but rather than for an individual, it is symbolically applied to all the people of the camp. The second goat has a different destiny…(Scape Goat)

Leviticus 16: 15-16; 19(Rev 15:8)…When the priest enters the sanctuary, he is *"cleansing the sanctuary."*

Leviticus 16: 21-22…When the priest cleanses the sanctuary from all its impurities, he then transfers all the sins of Israel (symbolically) on to the scapegoat and sends the goat away into the wilderness. The Hebrew camp has been cleansed from iniquity and is now ready for the next year of services. This is often referred to as the "Day of Atonement," which is synonymous with the term "cleansing of the sanctuary."

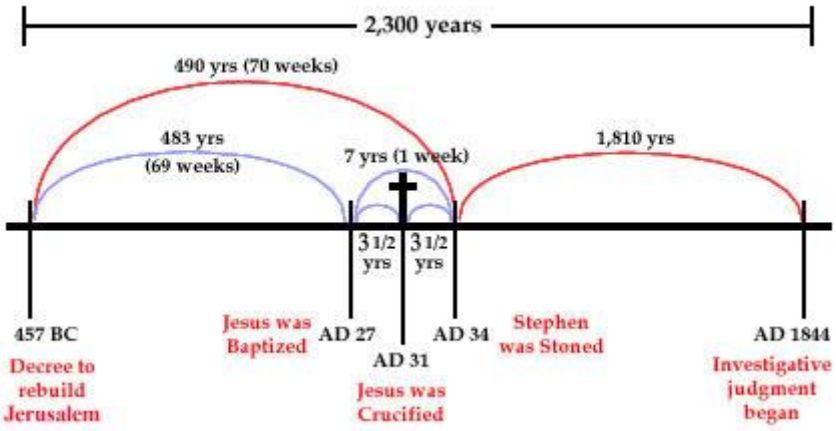

The Bible tells us that this was the most serious ceremony in the entire Old Testament Sanctuary. It was a Judgement day for the people of Israel…

Leviticus 23: 28-29…The people of Israel were to take this ceremony very seriously. They knew that for their sin to be removed from the sanctuary, it must first go into the sanctuary. This is why they were "*afflicted in their souls."* *It was a day of Judgement. When a sanctuary is cleansed a judgement is taking place.*

Now armed with a basic understanding of the ministry within the earthly sanctuary, we are better able to understand the New Testament applications that are centred on and around this area of study.

Daniel 8: 14…All of a sudden, this verse springs to life! A judgement is taking place.

.

When Jesus ascended to Heaven after his crucifixion, he entered a role of ministry within the Holy Place; however, there was a time his ministry moved to the Most Holy Place. This happened in 1844 and this is where we get our often shunned terminology known as "investigative Judgement." It is from the Bible. The goal is to blot out the sins from existence. Our sins are covered in the sanctuary until the blotting out when the sins are removed – Scape Goat

Daniel 7: 9-10… Here Daniel is able to see in vision a picture of what took place in 1844 within the heavenly sanctuary and what has been happening ever since. Notice Daniel mentions *"the court was seated and the books were opened."* This is how investigation takes place. God is assessing in an open court before the heavenly host, whom has offered their sins upon the altar. Remember, the sin that has not gone into the sanctuary is unable to be taken out. Rem this isn't for God's sake it for our understanding (created beings).

Books in heaven:

Revelation 3: 5.

Revelation 20: 12.

Revelation 21: 27.

Malachi 3: 16.

Philippians 4: 3.

Luke 10: 20.

Psalm 56: 8.

Revelation 14: 6-7… Note a three phase message of final warning just shy of his second coming. The first angel states *"the hour of his judgement has come." Jesus is performing his final touches in the sanctuary before he comes.*

Revelation 14: 14-16...This is a reference to the second coming of Christ.

Revelation 22:11..Jesus is looking for every excuse to get you into Heaven. We don't know when the end is so we need to wake every morning and decide to walk with Jesus. God is more concerned about the salvation of your loved ones than you are.

Final statement:

The Day of Atonement: The whole ceremony was designed to impress the Israelites with the holiness of God and His abhorrence of sin; and, further, to show them that they could not come in contact with sin without becoming polluted. Every man was required to afflict his soul while this work of atonement was going forward. All business was to be laid aside, and the whole congregation of Israel were to spend the day in solemn humiliation before God, with prayer, fasting, and deep searching of heart.

Important truths concerning the atonement are taught by the typical service. A substitute was accepted in the sinner's stead; but the sin was not cancelled by the blood of the victim. A means was thus provided by which it was transferred to the sanctuary.

By the offering of blood the sinner acknowledged the authority of the law, confessed his guilt in transgression, and expressed his desire for pardon through faith in a Redeemer to come; but he was not yet entirely released from the condemnation of the law. On the Day of Atonement the high priest, having taken an offering from the congregation, went into the most holy place with the blood of this offering, and sprinkled it upon the mercy seat, directly over the law, to make satisfaction for its claims. Then, in his character of mediator, he took the sins upon himself and bore them from the sanctuary. Placing his hands upon the head of the scapegoat, he confessed over him all these sins, thus in figure transferring them from himself to the goat. The goat then bore them away, and they were regarded as forever separated from the people.

Such was the service performed "unto the example and shadow of heavenly things." And what was done in type in the ministration of the earthly sanctuary is done in reality in the ministration of the heavenly sanctuary.

Once Jesus has completed his priestly role within the heavenly sanctuary, he then removes his priestly garments and replaces these with his kingly attire. Jesus as King then begins his journey to earth for the purpose of reaping his saints. **Note:** while Jesus has put aside his former priestly role and has left the temple in heaven, there is no longer an intercessor for our behalf. This is the close of probation and correlates with the statement of **Revelation 22: 11.**

Notice the consistent parallels found within the chapters of Daniel. All of which correlate with, and are consistent with the fore and after Prophets of Daniels time. An in depth study of the entire content of each chapter written by Daniel will reveal an underlying focal message. This message may be summarized as the following:

Daniel 9	Daniel 8	Daniel 7
Sacrifice	Priest	King

Critical thinking point: this paradigm of thought is so often rebuked, although with little to no theological support. Ask yourself, when considering the sanctuary process of the Old Testament, where would you place the cross in this analogy? The seventy weeks is a type of the twenty three hundred days, in that God was faithful and longsuffering in his warning and judgement upon the Israel nation. He will be the same when it comes to the close of the judgement phase at the end of time.
